1.48(A) PETITION TO CORRECT INVENTORSHIP

APR 18 2000

Dear Sir:

OFFICE OF PETITIONS
DEPUTY A/C PATENTS

This Petition is requested under the provisions of 37 CFR 1.48(a) to correct inventorship.

In view of the papers filed, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by: 1) submitting this petition along with a statement (see Appendix) from each person being added as an inventor that the error in inventorship occurred without deceptive intention on his or her part; 2) an oath or declaration by the actual inventors as required by § 1.63; 3) the fee under § 1.17(i); and 4) written consent of the assignee.

Please forward the present application to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and PTO PALM data to reflect the inventorship as corrected.
